dreamy Parisian private garden, a breathtaking view of the Eiffel Tower, an exclusive independent entrance on Avenue d'Eylau, spaciousness and refined decor... Nothing is too good for the largest apartment at La Réserve Paris.

Falling in love with an exceptional city

It's hard to imagine a finer embodiment of Parisian art de vivre than this totally unique apartment, designed as a private mansion in its own right. While an integral part of the residence with all its services, its exclusive location with independent access enables you to savor the feeling of being truly at home at the heart of the capital, while enjoying complete discretion. Here, the spectacular mingles with the intimate and the grandiose with the comfortable to ensure a simply perfect experience.

A legendary Paris unfolds each day when facing an extraordinary view of the mesmerizing Eiffel Tower. Featuring huge volumes adorned with all the outward signs of nobility typical of Haussmann architecture, the ingeniously arranged areas are ideal for easy-going family living. The ultimate rare and coveted privilege is a private garden planted with trees and flowers in the center of Paris, just a stone's throw from Place du Trocadéro.

Entirely at home, with the Eiffel Tower as a neighbor. Free from daily cares, simply feeling good. Allowing yourself to be guided in a discovery of a privileged and intensely private side of Paris. Enjoying behind-the-scenes access to key historical and cultural sites. Organizing exclusive receptions. Spending time as a family or among

friends...Your stay in La Réserve Paris - Apartments can be modulated in tune with your wishes and experienced with a blend of elegance and simplicity. We will do everything in our power to personalize your stay with special touches or treats according to your tastes and desires. Feel free to communicate your preferences at the time of booking.
