n the supremely chic 16th arrondissement, the Parisian art of living is perpetually reinvented for relaxing leisure or business stays, all imbued with the same sense of elegance.

It's like living a dream in central Paris...

In this luxury apartment rentals featuring their own balcony, the interior design dares to opt for a minimalist contemporary aesthetic that blends seamlessly with the classic setting that is an integral part of the Parisian architectural heritage. And when the splendid chandeliers are lit up of an evening, the soft, warm

glow resembles that of dozens of candles hanging down from the ceiling... complete with designer style! The splendid 65 sqm dining rooms are lined with a series of floor-to-ceiling windows. The corner location overlooking the Place du Trocadéro provides stunning views of the Eiffel Tower, a sight of which even Parisians never tire... At nighttime, when it sparkles right in front of you, the show is truly magical and can be enjoyed even more intensely with the apartment lights off.

Entirely at home, with the Eiffel Tower as a neighbor. Free from daily cares, simply feeling good. Allowing yourself to be guided in a discovery of a privileged and intensely private side of Paris.
